Caraustar Industries Receives 12-Month Safety Award from Paperboard Packaging Council

FOR IMMEDIATE RELEASE

November 8, 2018 [Cleveland, OH] – Caraustar is thrilled to announce their Kingston Springs, TN, plant has received the 12 Month Award as part of Paperboard Packaging Council (PPC) Box Score Report.

PPC recognizes member companies' safety milestones as a part of a monthly Safety Box Score Report, a benchmarking tool that allows companies to measure their safety records relative to their peers. The achievement signifies the amount of time worked without an OSHA recordable incident. Caraustar is proud of the Kingston Springs team commitment to creating a safe workplace for all employees, as reflected by more than two years without an injury in the workplace.

"Safety is a core value for Caraustar. Our safety vision for Caraustar to be a place where all employees come to prepared to work safely, look out for one another, and return home safe and healthy. I'm very proud of the milestone the Kingston Springs team has achieved and know that it is a direct reflection of their shared commitment to getting better every day."

- John Grinnell, VP/GM Caraustar Consumer Packaging Group.

With more than 80 years of experience in green practices, Caraustar is the first choice for recycled paperboard and value-added packaging. Our creative team works to meet our clients' folding carton and set-up packaging needs effectively and efficiently.
